The Science Transit Shuttle

Improving connectivity to Harwell Campus, Old Road Campus, JR Hospital and Wytham Field Station

The Science Transit Shuttle provides a frequent, express service connecting the Science Area and Central Oxford with Old Road Campus and the JR Hospital in Headington, Wytham Field Station and Harwell Science & Innovation Campus near Didcot.

The service enables academics, research staff, students and visitors to move quickly and conveniently to best make use of these cutting edge scientific and clinical research facilities, helping to spur interaction, investment and commercial innovation between the academic and business communities.

The service is made possible by funding from the University of Oxford and the Science & Technology Facilities Council.

Travelling on Business

The service is only open to employees, students and visitors associated with the University of Oxford and Harwell Campus. There is a charge to use the service.

University of Oxford employees

To use the service one of the following must be presented to the driver:

- a pre-registered University Identity Card
- a commuter card
- a Departmental pool card

continued...

- a single use pre-paid paper ticket available to purchase online or at the University Club in books of 2, 10, 20 trips

Harwell Campus employees

Employees of organisations based at Harwell must present to the driver either:

- a Harwell Campus Gold Card
- a commuter card
- a single use pre-paid paper ticket available online or at The Electron Caf 
